6 EXCITING PROJECTS from the board

While there is still a certain level on uncertainty that remains in 2021 regarding the impact Covid will have on our club, we want you to know the Officers and Board are working very hard to plan an impactful Spring, Summer and Fall for our members. We are moving forward with optimism as we make plans while also understanding our responsibility to keep everyone safe and healthy. While Covid still remains a threat, we are hopeful that with a vaccine and therapeutics widely distributed, we can expect our club activities will be less limited by the pandemic.

Instead of a message from the Commodore on the front page of this newsletter, we wanted to highlight our first event of the year – The Spring Clean Up Day! Please save the date as we need ALL HANDS-ON DECK to clean up the club from the long winter. This is also a great day to see all our friends at the club, meet new friends and work together for the betterment of our beloved club.

Here are a few of the exciting things the Board has been working on and approved over the past few months:

- Kitchen renovation: Progress is ongoing and we look forward to a completion date by late April or early May.
- Purchase of 403 Riverview Lane: Closing is tentatively scheduled for the end of March
- Food and Beverage vendor for 2021: The Board has decided to move forward with Culture Collective, who will be leasing our food and beverage program this year. We are very excited to offer this type of service to our members and we look forward to a GRAND OPENING over the Memorial Day Weekend. More information will follow.
- The Grill on the Bluffs Tent: A new tent has been approved for purchase for The Grill on the Bluffs and will be installed as soon as it arrives!
- Coordinating Meeting: The Board met and held its annual Coordinating Meeting where events were added to our calendar for the year.
- Crabnet Website: PLEASE be patient, we are diligently working on transitioning information from the old Club Express website to the new Crabnet website.
- MRYC Member Handbook: The 2021 MRYC Handbook is currently in the process of being updated and will be sent to all members upon completion.

We look forward to seeing everyone on Saturday, April 17th (rain date: April 24th)
at Spring Clean Up Day!

Dear MRYC Friends,

PAIGE AND I WOULD LIKE TO THANK OUR MRYC FAMILY FOR ALL THE LOVE AND SUPPORT YOU SHOWED US DURING THIS MOST DIFFICULT TIME. WE HAVE FELT YOUR PRESENCE THROUGH YOUR PRAYERS, WORDS OF CONDOLENCES, VISITS, CARDS, SPECIAL GIFTS, DONATIONS AND THE WONDERFUL FOOD. OVER THE LAST FEW WEEKS, WE HAVE LEARNED TO KEEP OUR HAPPY MEMORIES CLOSE, AND EMBRACE EACH DAY AS IT COMES. SO WHEN YOU SEE US, GIVE US A BIG SMILE, A WARM GREETING AND WE'LL KNOW THAT YOU'RE THINKING OF US. WE WILL SMILE BACK TO YOU KNOWING OUR ANGEL LIV IS SHINING HER LIGHT ON ALL OF US.

WARM REGARDS,

Mark and Paige

MRYC Swim Team

- For families interested in the swim team please watch for details about dates and times of an information session and a mock meet.
- The mock meet will help explain all the volunteer rolls required to run effective meets. Yes, the plan is to have actual meets this summer - fingers crossed.
- Please also respond to the survey sent out about swim lessons this summer.
- The plan is for swim team to practice opposite of sailing, so some weeks practice will be in the morning and others, later in the day.
- This allows kids interested in doing both to do so and it also opens up more late afternoon and evening hours for general club member use after work.
- We are trying to keep lesson times constant, so please help by responding to the survey sent by email if you haven't done so already.
- There will also be details coming about a date for team suit fitting and order event.

Stay well everyone!

Stay tuned for more updates as things warm up a bit.

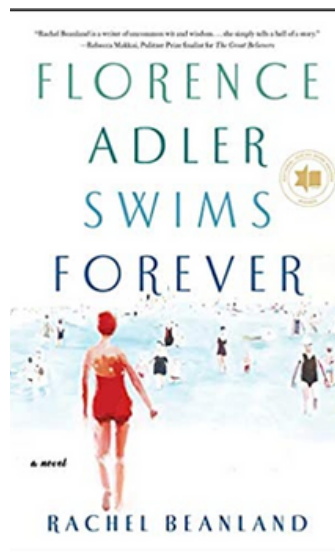

Chuck Drawbaugh, Trustee
