Dear Membership,

Our entire Board cannot thank you enough for coming out and enjoying the club that we all worked so hard to improve during a challenging year. MRYC has never looked better and with every passing week we are working that much harder to improve it even more as we experience all it has to offer.

We are very thankful our members have embraced the many changes and have remained calm, positive and understanding as we continue forward in our partnership with Cul+ure Collective. We are currently two weeks into the opening of the club and we are clearly working through some "kinks" as we go which is to be expected.

That being said, we truly believe we are making positive headway as members visit the club and offer positive feedback to our managers and Board. Please continue to remain understanding and positive with our managers, staff and partners as we try to offer the best service possible at our new and improved club! Our entire goal is to provide a great experience for all as we learn and grow together in these initial stages.

I am always available to listen to our members' suggestions and comments as we move forward with improvements and great times at MRYC. Please email me at rboothiii@gmail.com

Sincerely,

Robert E. Booth III
Trustee of the Bar

REGATTA COMMITTEE UPDATES

FROM REAR COMMODORE ED FLYNN

July will be a busy month at MRYC and the Regatta Committee is excited to host two special events!

Day on the Bay is July 10th. Regatta Committee, along with Dock & Harbor, will help Patrol for a busy day of Sailing on Barnegat Bay. Our Patrol Fleet will leave our dock at 7:30 and coordinate with the Mantoloking Yacht Club to cover all race courses on the upper and lower Barnegat Bay. Members will use their personal boats to Patrol. There will be plenty of room for volunteers, even if you don't have your own boat. Just let Kevin Carton or myself know you would like to help. It's a fun and exciting day on the water.

TRI-SAIL REGATTA

MRYC will host the 2021 Tri-Sail Regatta and Party, sponsored by Gosling Rum on July 31st. The off-shore racing events will bring sailboats from around Jersey Shore. The regatta's tradition of bringing superior off-shore racing to our local area could not be maintained without the generous support of the three hosting yacht clubs. Manasquan River Yacht Club, Bayhead Yacht Club and Metedeconk Yacht Club will each help run the sailing event. MRYC will host an evening Party and Awards Ceremony after the race.

This is a well attended party and we hope to host over 200 guests. We hope to see you out on the water!

Eddie Flynn
Rear Commodore

SWIM TEAM UPDATES

FROM TRISHA BROWN

Wow! Welcome to our 95 MRYC Sailfish Swimmers this season! We are looking forward to an incredibly successful and fun season with everyone! Just a few reminders for the upcoming weeks:

Practices begin June 28th in the afternoon. Please make sure you check the Swim Team Calendar on the MRYC.org website under "[Swimming](#)"

There will be a mandatory meeting for all parents/guardians on July 1st at our Mock Meet/Swim Time Trials. To have a successful season, we will need all hands on deck. The league is breaking down meets into 2 age groups so we will need as many volunteers as possible. We will be going through job positions at the Time Trials. Please make every effort to attend as everyone is needed to volunteer this summer. Remember, the best way to watch your swimmer at the meet is to be a volunteer on deck!

Our first meet (at home!) is July 6th!

Please also be on the lookout for a Swim Team Swag Sale coming up! Support the team by sporting some Sailfish Swag!

Thanks in advance for everyone's support! Please be sure to check the website for practice times, meet dates and the swim team handbook (also on our website page) for any additional information.

Chermark making mark on court

Manasquan freshman Anthony Chermark has been playing tennis for a long time, but it was somewhat recently he started to get serious about the sport.

The dedication has paid off for the Warriors' second singles player who has played a key role in Manasquan's perfect record in the B North Division. Chermark has not lost a match this season in division play and is 15-4 overall.

"I started playing consistently two or three years ago," said Chermark. "I had been playing for a while. I started getting better and I was not putting that much work in so that motivated me to put more work in."

Chermark played plenty of sports growing up from soccer, baseball and basketball. He realized tennis was his best shot to make a mark at the high school level.

"I realized I was not going to play soccer in high school so I went to tennis fully," said Chermark.

No one in his family played tennis, his brother Andrew swam for the War-

ANTHONY CHERMARK

riors this season, but watching tennis drew Anthony into the sport.

"I grew up at the yacht club and there was a lot of tennis going on," said Chermark. "I would watch the older people play and I thought it looked really fun. I played there from the beginning. I mainly played with instructors who were teaching me. I was always the most competitive

there, probably annoying, but I tried my hardest."

One of his instructors suggested if he wanted to play high school tennis he should make a bigger com-

mitment to the sport and Chermark was all in.

"One day the main pro said I should pick this up in the winter if I wanted to play in high school and I did that and it started it all," said Chermark.

Chermark feels he is at the perfect spot playing second singles at Manasquan.

"I thought second singles was the best spot for me this year, me being a freshman," said Chermark. "First singles I would have had really tough matches and would not have gained as much as I would from second singles where I could actually compete."

Chermark has enjoyed the team aspect of tennis playing for Manasquan.

"Team tennis motivates you even more when you are out there with your team cheering you on," said Chermark. "It makes you play better all-around."
