DOCK LINES

by Kevin Carton
Fleet Captain

⚙️ 18' center console received its annual servicing and bottom painting at Deep Creek and a new leaning post cushion was fabricated and will be installed next week. The Hawk was dropped off on Monday for repairing the lift motor and bottom painting. Thank you Keith Kernan for transporting both boats.

⚙️ Win Miller replaced a few leaky faucets on A dock – thank you Win.

⚙️ The inner floating dock hoop pile roller has been replaced and three flip up cleats were added. Next week we will carpet and install the rub rail.

⚙️ We located multiple breaks in the underground electrical conduit feeding B dock and the boat house. All the work has been complete, new wires installed and full power is restored. Thank you to the hole diggers and Herbert Electric.

⚙️ A hand full of Prams were moved to the Boneyard. Storage is extremely tight at the Club and prams should be removed.

⚙️ As a Club reminder we do NOT store boat trailers.

EXCITING NEWS from the board

The MRYC Board is thrilled to announce that after a long winter of Covid restrictions and upgrades to our clubhouse and the Bluffs, we are very close to reopening the Upper Deck and the Bluffs for the 2021 season. For the first time in club history we will have a food service operation at the club. We have entered into an agreement with Culture Collective (which operates three great restaurants in Asbury Park) to run our food service operations. We will be offering a full menu in the newly renovated clubhouse and a limited more casual menu on the Bluffs.

WE WILL BE OPEN ON MEMORIAL DAY WEEKEND WITH THE FOLLOWING SCHEDULE:

Friday, May 28th from 5pm to 9pm
Saturday, May 29th Spring Cocktail Party from
5pm to 9pm
Sunday, May 30th from 12pm to 9pm

MRYC Pool & Swim Team

Pool time is getting close!! The cover has been pulled and prep has begun to have the pool looking good. The problem areas with uneven pavers have been leveled. Some planned equipment repairs are complete and look forward to new lounge chairs around the deck this summer. Thanks to all the committee and members who volunteered around the pool during spring clean up day. Special thanks to Kevin Califano for reinforcing the main guard stand to make it safer and it will look great after a fresh coat of paint.

**WE'RE
