

MRYC 2026 Tennis Tournament Guidelines:

1. Players must be 18 or turning 18 in 2026 to enter an adult tournament. (This restriction does not apply to Family or Filial tournament players.)
2. Any tournament that doesn't get at least 6 teams will not go forward.
3. Players should provide their cell phone numbers during tournament sign-up, so coordinators can be in touch if necessary.
4. The deadline for each match will fall on a Friday. In the event of rain, injury, etc. players can have until the following Monday to complete the match.
5. If, toward the end of the time period, one team can play Friday through Monday, and the other team can't, the team that can't will default.
6. One tournament match on Saturday and Sunday (each) can be scheduled at 8am. No other tournament matches can be scheduled before 10am on Saturday, Sunday or Monday.
7. Matches can be scheduled on Courts 1 and 2 after 5pm (during Open Tennis) on Monday, Tuesday, Wednesday and Friday. On those days, Court 3 will stay available for Open Tennis or the Wednesday night adult clinic.
8. After 5pm on Thursdays, one match can be scheduled on Court 1. Courts 2 and 3 will remain available for Open Tennis.
